## SWIMMING

- ❖ Rusinga School was gracious enough to give us their swimming slot hence the change of timings from 9:00am to 12:00pm.
- ❖ We are taking all safety measures to ensure that all children are safe and are enjoying the swimming lessons.
- ❖ The school has taken in three trainers plus two teachers swim during the swimming lesson including myself. (pictures are in the Swimming WhatsApp Group)
- ❖ Since we are hosting our first ever swimming Gala, the trainers and pool capacity at Impala Club was ideal for the training process.
- ❖ Feel free to pass by any time during the lessons, but please make sure they do not see you. You might distract the training session.
- ❖ Snacks are usually given on time as we know a hungry child is an angry child.
- ❖ Thank you for the feedback given in regards to the change of venue and the timings. *We do listen!*

## FRIENDS OF NATURE

The Friends Of Nature Club partnered with the Kenya Scouts Association and the Wildlife Club Of Kenya and we shall be visiting a farm at Joseph Kangethe Road to learn about animal feeds on Thursday the 23<sup>th</sup> of February, 2023 after the games session.

## CAREER WEEK

I am requesting for two male parent figures to come for our **Friday the 24<sup>th</sup> of February assembly**, to talk about the different career paths. The learners should dress up as what they want to be when they grow up.

Be as creative as possible.

## LOST AND FOUND

If you have any item that doesn't belong to your child at home, kindly send it to school. We have been having many cases of missing items. Please, please, label all your child's items including socks and shoes.

## GUIDANCE AND COUNSELING DEPARTMENT

The team is suggesting that we monitor all if not most what the children are watching at home. Remember children are like a sponge what they see they end up experimenting here in school. Let's save our children's innocence.

## CODING

The grade 4 learners completed their first Tinker Coding introduction course and they were issued with a **Certificate of Achievement** of completing **THE HOUR OF CODE**. Heko kwao! I am sure the Grade 3 learners will be getting theirs very soon.

## OPEN DOOR POLICY

At Playstreet School we have an open door policy. Any feedback or clarification is always welcomed. Feel free to walk to the office or call, if I am in class I always return calls.
